

ROLLING OBJECTS

R. Sankaranarayanan

Associate Professor

National Institute of Technology, Tiruchirappalli 620015, Tamilnadu, India.

Date: Saturday 3:00 PM India Time, 2022 Jul 2

Event: Lecture Series in Theoretical Physics

Venue: Sphics Science Center, Chonadam, Thalassery, Kerala 670107, India.

Online participation using Zoom Meeting ID: 829 6770 5989, Password: ihbar

- Lecture Series in Theoretical Physics involves lectures and informal discussions on topics in theoretical physics addressed to a popular audience.
- Keywords for discussion topics: physics, quantum mechanics, special relativity, general relativity, mathematical physics, cosmology, dark matter, dark energy, blackholes, etc.
- Weather permitting, we will have a telescope on the rooftop of Sphics Science Center to view sunspots on the sun. Do not hesitate to come early for this purpose.

Address: Sphics Science Center,
Chonadam-Kolassery Road,
Chonadam, Thalassery,
Kerala 670107, India.
